VETNETWORK AUSTRALIA MEMBERSHIP

About VETnetwork Australia

VETnetwork Australia is a national professional association dedicated to the advancement and improvement of vocational education and training across Australia and is one of the most important peak bodies representing VET teachers and practitioners in Australia. VETnetwork Australia provides a range of membership services across Australia including the provision of professional learning, the development and distribution of resources, and the facilitation and management of VET for Secondary Student programs. In addition to this, VETnetwork Australia operates a number of programs on behalf of key stakeholders in the VET sector.

Furthermore, VETnetwork Australia's core values are:

- To operate efficiently and effectively across the entire VET sector.
- To establish and maintain a presence as a peak body in the national VET sector.
- To facilitate opportunities for research and innovation within the national VET sector.
- To provide quality membership services to enhance the growth of the national VET sector.
- To value the skills and diversity of the labour market working within the National VET sector.

VETnetwork Australia's current Mission Statement:

To provide Australia's vocational education and training professionals with highly regarded advocacy, professional development and support services.
