

AVETMISS RELEASE 8.0 PREPARATION CHECKLIST

Release 8.0 comes into effect from 1 January 2018. You will need to:

Check with your SMS vendor that your student management system is release 8.0 compliant

Check with your STA (if applicable) for any state-specific requirements for funded activity

Update your enrolment form to be release 8.0 compliant

MAINTAIN 7.0 COMPLIANCE

Your student management system must still be able to produce release 7.0 compliant NAT files until you have completed your annual 2017 AVETMISS submission.
