

Hi **%%FIRST_NAME**student%%**,

The Student Outcomes Survey is now open!

Have your say, share your training experiences. Last year's records show you were enrolled in: **<Program name>** **<If at TAFE/Uni [at <Institute name>]**. This important survey is the only source of national information on students' experiences with vocational education and training.

The survey should take you about **%%SURVEY_LENGTH%%** to complete.

The Social Research Centre is conducting the survey on behalf of the Australian Government Department of Education, Skills and Employment and the National Centre for Vocational Education Research (NCVER).

We want to hear from all students, even if you are no longer in Australia or took part in last year's survey. Your response matters and will be used to understand how the training system is working and how training can be improved.

Take the survey now
