

# National Student Outcomes Survey 2023 –questionnaire

## Introduction

The 2023 domestic student questionnaire suite was designed to ensure students received only questions relevant to them. The questionnaires included:

- pulse questionnaire for continuing students and subject(s) only completers doing further VET (approximately 5 minutes)
- full questionnaire for Certificate II and above qualification completers (approximately 10 minutes)
- lite questionnaire for all other students (approximately 5 to 10 minutes)

This document combines these three domestic student questionnaires into one questionnaire. The question numbers align with the question number references in the *National Student Outcomes Survey 2023 - apprentice and trainee component: Data dictionary* support document, available from the *Apprentice and trainee outcomes 2023* publication page at: <https://www.ncver.edu.au/research-and-statistics/collections/student-outcomes/apprentice-and-trainee-outcomes>.
